

Finger Lakes Ale Trail, One-Day & Multi-Day Tour

The Finger Lakes has become a popular destination for beer-lovers as a multitude of quality artisan breweries have established themselves in this scenic region. From dark to light brews, ales to lagers, there's plenty of choices sure to please the palate as you become an expert!

Let us know how many breweries you'd like to feature and we'll design a tour just for you. Available breweries and beer tasting rooms (& distilleries if you wish) include Climbing Bine Hop Farm and Craft Ale Company which grows its own hops and buys barley from farms just down the road, Starkey's Lookout, Glass Factory Brew House, Arbor Hill Brew & Brats, Naked Dove Brewing Company, Twisted Rail and War Horse Brewing Company located on the grounds of Three Brothers Wineries & Estates, Finger Lakes Beer Company, Hopshire Brewing, Steuben Brewing Company, Grist Iron Brewing, Company, and more!

We can include a hearty beer and brats meal at a beer tasting room or a relaxing Seneca Lake *Burgers, Blues & Brews* cruise with dinner, live music and of course beer specials on Wednesday nights during the summer. Plus we're working on a dessert and beer pairing option as a delicious treat.

Tour available May to October if including lake cruise otherwise available year round.

Let us know if you'd like to plan a day trip or multi-day tour and what other type of activities are of interest so we can plan a full day because man can not live on beer alone!
