

# We Love Lucy, One-Day or Overnight Tour

Learn all about America's favorite redhead, Lucille Ball, in her hometown of Jamestown, NY.

Visit the Lucille Ball Desi Arnaz Center featuring the Desilu Studios and The Lucille Ball Desi Arnaz Museum. The Desilu Studios, devoted to the "I Love Lucy" TV series, includes exact replicas of sets from the show, an interactive Vitameatavegamin set, a screening area, and showcases filled with vintage memorabilia as well as costumes that were worn on the show. The museum displays items of Lucy and Desi's including priceless costumes, awards, photographs, and other vintage memorabilia. A small theatre offers screenings including excerpts from Lucie Arnaz's Emmy Award-winning documentary "Lucy & Desi: A Home Movie" and historic TV episodes plus there are episodes playing throughout the museum as part of the various displays.

Also see the homes where Lucy was born and grew up, theaters where she performed, places where she attended school, the cemetery where she is buried with her family, and more during a guided driving tour of the city. Even *Eat Like Lucy* during a themed meal in the Tropicana, a replica of Desi's nightclub with an option for live comedic entertainment as part of the experience!

Enjoy a narrated sight-seeing cruise on Chautauqua Lake aboard the Summer Wind, a yacht-type cruise offering climate-controlled enclosed lower deck and open upper deck. Listen to the captain's tale of the area's history and ecology. Wander down to the bow deck to look at historic sites and snap a few scenic photos! The cruise departs from the Lucille Ball Memorial Park in Jamestown and offers meal options.
