

## Lucy's Jamestown & Erie's Lake, Multi-Day Tour

Delve into the life of Lucille Ball, America's favorite redhead, in her hometown of Jamestown, NY plus the wonderful sites of Erie, PA's only port city.

Visit the Lucille Ball Desi Arnaz Center featuring the Desilu Studios and The Lucille Ball Desi Arnaz Museum. The Desilu Studios, devoted to the "I Love Lucy" TV series, includes exact replicas of sets from the show, an interactive Vitameatavegamin set, a screening area, and showcases filled with vintage memorabilia as well as costumes that were worn on the show. The museum displays items of Lucy and Desi's including priceless costumes, awards, photographs, and other vintage memorabilia. A small theatre offers screenings including excerpts from Lucie Arnaz's Emmy Award-winning documentary "Lucy & Desi: A Home Movie" and historic TV episodes.

Also see the homes where Lucy was born and grew up, theaters where she performed, places where she attended school, the cemetery where she is buried with her family, and more during a guided driving tour of the city. Even *Eat Like Lucy* during a themed meal in the Tropicana, a replica of Desi's nightclub with an option for live comedic entertainment as part of the experience!

Get a taste of the area's lakes with a narrated sight-seeing cruise on Chautauqua Lake aboard the climate-controlled Summer Wind, a yacht-type vessel plus a visit to the Erie Maritime Museum overlooking Lake Erie, where a video and exhibits illustrate the dramatic story of the Battle of Lake Erie and the War of 1812. If in port visit the U.S. Brig Niagara, a reconstructed flagship.

For a bit of saints and sinners, visit St. Patrick's Church, built in the early 1900s and well known for nearly life size hand-carved Stations of the Cross statues were made in Germany which will also include an organ demo, plus winery tours and tastings plus casino visit.
