

## PA Surf and Turf ,One-Day & Multi-Day Tour

Enjoy our PA version of surf and turf including riverboat cruise and covered wagon rides.

The surf is the beautiful Susquehanna River which runs from New York through PA and finally to the Chesapeake Bay passing through Williamsport on its way. There, during a river cruise aboard the Hiawatha Paddlewheeler, you'll learn how an underwater boom was used during the 19th-century lumber era to corral logs floating down from the north so they could be sorted on their way to market in Baltimore and about some of the region's famous characters of the time including lumberjack "Cherry Joe" McCreary and a conductor on the Underground Railroad. The riverboat features a climate-controlled enclosed main deck with cocktail service and an open-air deck.

The turf is the trail along Pine Creek as it travels through the PA Grand Canyon's upper gorge which you'll explore aboard narrated horse-drawn covered wagon rides. Enjoy the scenery as the canyon walls rise above you and the clip-clop of the horses hooves on the trail. Equipped with shock absorbers, rubber tires, comfy seat cushions and a canvas top that allows to great views protected from the elements, the wagons are a wonderful way to experience this natural wonder.

For summer day trips, we'll include a meal at the historic Penn Wells Restaurant in quaint downtown Wellsboro. In the fall an additional option is to enjoy a lunch buffet on board the Hiawatha which we can pair with a guided driving tour of Millionaire's Row and time to explore historic downtown Wellsboro before the wagon rides.
