Roses

There's plenty beauty with a visit to Sonnenberg Gardens & Mansion, Canandaigua, NY, featuring multiple gardens including a fabulous rose garden and mansion just as the name suggests. Docents are available to lead the garden tours which can also include the Japanese Garden, Italianate Garden, Blue & White Gardens. Plus, after wandering through the glorious rooms of the mansion, you can visit the gift shop and the Finger Lakes Wine Center on site.

Radio History

Visit the Antique Wireless Museum, Bloomfield, dedicated to preserving and sharing the history of technology used to communicate and entertain from the first telegram to today's wireless text messaging. Tours include an introduction, time to explore and sometimes demonstrations of phonographs, telegraphs and other equipment. Noteworthy exhibits include a rare circa 1780s static generator, early televisions including a 1952 mechanical color scanner, early cell phones (which required equipment carried in the trunk of a car to operate), exhibit of the Delano California Voice of America Station control room and 250,000 watt transmitter that served Central and South America and the Pacific rim and an exhibit of the Western Union Telegraph Museum.

Roulette

Enjoy slots and table games including roulette at del Lago Casino & Resort in Waterloo. The site offers new gorgeous hotel rooms, a food court and all-you-can eat buffet with fabulous dessert kiosk with goodies made by onsite chefs. (We've got options for other hotels as well within 30 minutes of the casino).

And more!
